Ed Space Brand Style Guide

When using these logos, do not copy or send from this document or images sent over social media when possible to ensure good quality end results. These images linked may take a while to download due to their size and the server hosting them.

Ed Space

Primary Logo

The Primary Logo is to be used when the logo will be displayed and shown when the name 'Ed Space' will be at a readable size.

Ed's Man Club

Primary Logo

This Logo is to be used in all cases where width is not a factor. Either colour variant is fine as long as you consider the contrast between the text of the logo and the background. In cases when the background is yellow, add a black background.

Link (White background):
files.edspace.im/Logos/EdsManClub/EMC-WideBlackLogoTransparentBackground.png

Secondary Logo

This is to be used when width is constricted. Either colour variant is fine as long as you consider the contrast between the text of the logo and the background. In cases when the background is yellow, add a black background.
